

Our Vision

OASIS Ministries was founded to encourage Christian leaders and churches to discover their God-given calling and walk in it.

Many Christians have only a vague notion of the meaning and purpose of their lives. That is why many churches make little impact on the people in this world – the people that Jesus Christ gave His life for.

Our aim is:

- to be an oasis in the wilderness providing water for the tired and thirsty children of God
- to lead them into the Lord's rest
- to provide them with prophetic signposts for their future
- to encourage, strengthen and teach them so that they can go on to tread new paths

We offer

- Conferences & seminars in local churches
- Counseling and mentoring for leaders
- Help and pastoral oversight for churches
- Joint discipleship missions abroad

Main emphases:

- New wineskins for New Wine
- Find and understand your calling
- Understanding the 5-fold Ministry
- The Prophetic Ministry
- Kingdom Economics

**GOD WILL MEET WITH YOU
IN THE DESERT**

**FOR
PASTORS & LEADERS**

"Are you tired? Worn out?
Burned out on religion?
Come to me.
Get away with me
and you'll recover your life.
I'll show you how to take a real rest.
Walk with me and work with me—
watch how I do it.
Learn the unforced rhythms of grace.
I won't lay anything heavy or ill-fitting
on you.
Keep company with me and you'll learn
to live freely and lightly."

Math. 11:27-30 (MSG)

Maricopa, AZ is about 16mi south of the greater Phoenix area. It is a fast growing community with two nice Golf Courses and many other amenities. If this is not enough, the big city is only 30-40 min away.

Maricopa has an interesting history which goes back to the early 1800's where settlers came from the east coast heading to the Gold Rush in California. They discovered under-ground wells which was for many of them a life saver on their last leg of their difficult and life threatening journey. They camped in this „OASIS in the Desert“ how it soon was called, until they recovered and gained strength again, ready to move on into their new destiny. Maricopa has a spiritual inheritance to be a place of restoration, refreshing and refocusing.
